Dog Playtime/Training Participation Guidelines

Date: _____ Pet's Name: _____

Playtime/Training Risks:

____ I acknowledge and agree that my dog's participation in Dog Playtime and other training services involves some risks. I knowingly assume all risks thereto.

Examples of risks:

- Acquiring kennel cough or canine influenza
- Injury
- Infection
- Parasites (internal and external)
- Viral Illnesses

I do herewith disclaim and indemnify and hold harmless the officers, directors, and employees of VCA White Oak Animal Hospital from any and all loss, damage, and expense caused by reason of participation in Dog Playtime and training services.

____ I am aware that I am financially responsible for all fees associated with these risks. All training services are non-refundable.

____ Is your dog spayed or neutered? _____ Yes _____ No?

Intact pet guidelines-Females:

- All females must be spayed by seven months of age
- No in heat females allowed in playtime

Intact pet guidelines-Males:

- Male dogs under 50 must be neutered by seven months of age
- Male dogs over 50 must be neutered by 12 months of age

____ All puppies must receive a Rabies vaccine by 16 weeks of age in order to continue participating in dog training. We require a current DHLPP, Bordetella, and Bivalent FLU vaccine to participate in any training services. A negative fecal to include giardia required for participation in group training services.

____ Any dog involved in an altercation with another dog may be asked to discontinue their participation in training. This decision will be made on a case-by-case basis and is at the sole discretion of VCA White Oak Animal Hospital and its representatives.

____ Please make us aware of any signs of illness that you dog may have prior to each training session (i.e. coughing, diarrhea, etc).

____ VCA White Oak Animal Hospital may use my dog's picture on their website or any social media site affiliated with VCA White Oak Animal Hospital.

____ Seasonally, pools and water fun are provided for our playtime pups. Your pet may go home wet and happy!

____ I release VCA White Oak Animal Hospital and it's representatives of any liability associated with the following:

- Transporting my pet to and from VCA White Oak Animal Hospital.
- Participation in training services in other locations (i.e. downtown Fredericksburg, PetsMart, etc.).
- I am aware that a veterinarian from VCA White Oak Animal Hospital is not present at these locations.
- In case of an emergency, the training staff will return my pet to VCA White Oak Animal Hospital for emergency care.
